## Healing Herb Reserve Notes

\_\_\_\_\_ @ \$50                      \$ \_\_\_\_\_

Our crops are set-aside on a first-come, first-served basis for purchasers of our Reserve Notes. A shipping discount of \$5 per note will be added to each reserve note purchased prior to May 1 of each year. Be sure to tell what herbs, garlic, and herbal products you want reserved!

## Healing Herbs

Our herbs are organically grown and/or ethically wildcrafted on our farm and woodlands. The herbs listed below are dried and stored to optimize medicinal quality. Simply circle the pound or package price of those herbs you wish to order, and indicate the quantity desired in the order column. We ship orders as herbs become available in the summer and fall months.
